Dear Joe:

As you know, Senator Roth has asked for a written statement from CIA on S. 1527, the Stevens-Roth retirement reform bill. Our own draft bill and our proposed substantive response to Senator Roth are in your shop undergoing review. Consequently, I have sent the enclosed courtesy note to Senator Roth so he won't take our silence as disinterest.

The Honorable William V. Roth, Jr.  
Chairman  
Committee on Governmental Affairs  
United States Senate  
Washington, D.C. 20510

Dear Mr. Chairman:

As your Committee begins consideration of S. 1527, the Civil Service Pension Reform Act, I want to thank you for your invitation to submit written comments on this measure. We have under consideration at OMB a legislative proposal which would permit the Central Intelligence Agency to administer a retirement program specially designed to meet the security and management needs of this Agency. Until OMB completes its deliberations, I believe it is premature to discuss this proposal. Therefore, with all due respect, I must decline your invitation to submit a statement for the record on S. 1527.

I do, however, take this opportunity to commend you and Senator Stevens for the difficult task you have undertaken to reform the Federal retirement system. As the head of an Executive Agency, I am well aware of the great significance a sound retirement system has to every Federal agency's management system. In the particular case of CIA, the specifics of a retirement system weigh heavily on our ability to recruit and retain top notch people, on our ability to maintain a high degree of security, and on our ability to manage our personnel with the flexibility and effectiveness necessary to carry out our complex and difficult missions.

I would hope that the subject of a retirement program for the Central Intelligence Agency can be a matter of discussion between us at an early opportunity. Until that time, I ask that you keep us in mind as you proceed through your hearings on S. 1527. With best wishes.

Sincerely,

/s/ William J. Casey

William J. Casey  
Director of Central Intelligence
